

Skyway Recreation Center is a multi-purpose indoor sports facility for all ages.

In conjunction with local recreational groups, SRC offers a wide variety of recreational endeavors. Our courts/play space was designed to provide the very best sporting experience; no matter your pursuit. We host volleyball, basketball, lacrosse, flag football, dodgeball, bubble soccer, and wiffle ball leagues and events year round.

Our indoor playing space is 74ft by 176ft, which provides enough room to fit 4 basketball/indoor volleyball courts. The basketball courts are 40 ft wide by 70ft long. In the near future, we hope to offer a portable turf solution to increase the options for indoor play.

Additionally, SRC has a 450 square foot bar/concession area with an operating beer and wine license making us an ideal destination for hosting your special events!

525 Earlwood Ave, Oregon, OH 43616
